**Tips:**

If the invoice exceed 50\$,17% tax are needed; so we suggest your invoice less than 50\$, it will be tax free; of course, if the invoice must be more than 50\$, I strongly suggest you apply it as “PCB”, which can be cleared in the custom easier. ( for “components “>200\$, it will can't be received by us.)

Anyway, please ensure the invoice less than 800\$, which is the deadline of our import products.

The tax fee are not included in the previous quotation, we will forward it to you when we received.
